SUNSET

SUMMER 2021

HIGH PERFORMANCE JUNIOR TENNIS ACADEMY

Sunset's High Performance program is to develop all-court tennis players who are mentally strong, fair and positive both on and off the court. This holistic approach means high performance on the court and high performance in life! The technical, tactical, mental and physical aspects of the sport will be taught, trained and coached in an environment of respect, discipline and encouragement. Sunset's coaching staff features the most dedicated, experienced and educated coaches in St. Louis. If your child wants to excel in tennis and train in this unique environment, please contact Pam or Billy Gluck, Director of High Performance Training.

Enrollment is limited. ALL players must enroll in advance. Register Early -Registration will be capped. Priority will be given to current Sunset Program Players.
